# JAALI PENDANT

ASSEMBLY INSTRUCTIONS

- This product requires 1, type B, E14 bulbs of 25W each. Bulbs are not provided.
- Do not dispose any packaging or contents of the shipping carton until assembly is completed to avoid any accidentally discarding small parts or hardware.
- Keep the parts on a carpet/ bubble wrap/ soft cloth while assembling to avoid scratches.
- Kindly keep any sharp surfaces or objects away from the assembly area such that they do not scratch or damage the product.
- Assemble in a clean area.
- Kindly use gloves while assembling.
- All wires are connected. When unpacking, be careful not to pull wires, as a bad connection may result.
- Shut off the power to main electric circuit supply before beginning work. Lock out the

circuit or the panel so the power cannot be turned on while you are working. If handled improperly, electricity poses personal injury and fire hazards.

- Always turn off fixture and allow it to cool prior to replacing the light bulb.
- Do not touch or look directly at the bulb when fixture is illuminated.
- Keep flammable materials away from lit bulb.
